REPORT FROM THE EXECUTIVE OFFICER

REPORT FROM THE EXECUTIVE OFFICER

Ramon Curiel reported on the evacuation of Camp Hi Hill and Superintendent Steinhauser commendation of all District personnel involved in its success. At Mr. Curiel's request, Chief Clark, School Safety and Emergency Preparedness, gave a summary of the events that took place during the evacuation process.

Mr. Curiel reported on the District's declining enrollment and its impact on the District's budget. He also updated the Commission on the District's Strategic Plan and explained a set of proposed goals for the 2006-2007 school year.

Mr. Curiel described the recent workshop presented to staff based

on the book "How Full is Your Bucket" and stated that it will be offered to all classified employees in the Winter/Spring Classified Staff Development catalog.

Mr. Curiel announced Administrative Coordinator Lisa Gardner's promotion to the Personnel Director position at Charter Oak Unified School District. Commission Chairperson Terry Ulaszewski congratulated Ms. Gardner on behalf of all three Commissioners and applauded her accomplishments over the years here at the Personnel Commission Office.

PERSONNEL COMMISSION MINUTES

PERSONNEL COMMISSION MINUTES

CSEA Unit B Vice-President Joseph Schessler requested revision to the September 7, 2006 minutes under Other Items to include the Education Code Section he quoted, "45272 (a) all vacancies in the classified service shall be filled pursuant to this article and the rules of the commission, from applicants on eligibility lists which, wherever practicable, as determined by the commission, shall be made up from promotional examinations, or appointments may be made by means of transfer, demotion, reinstatement, and reemployment in accordance with the rules of the commission" as well as CSEA's request that future testing be pursued as open/promotional with promotional taking precedence.

The minutes of the September 7, 2006 Personnel Commission Meeting were approved with the amendment.

CLASSIFICATION RESTRUCTURE RECOMMENDATIONS

CLASSIFICATION RESTRUCTURE
RECOMMENDATIONS

Mr. Curiel explained that the recommended revision to the School Safety Officer classification designates the classification as a police class and reflects an increase in the probationary period from 6 months to 1 year. He reminded the Commission that this had been brought to them at the July 27 meeting and tabled per CSEA's request because of issues they had with the recommended revisions. Mr. Curiel recommended that the Commission approve the revisions to the School Safety Officer classification at this time and let CSEA negotiate with the District afterwards. He stated that the effective date would be the date of Commission approval and would therefore be amended to reflect an effective date of September 21, 2006 if approved. After discussion between the Commission, CSEA, and Chief Clark, the Commission approved this item with the amended effective date.

Mr. Curiel noted that there was an addendum for the restructuring of an existing position in the Elementary School Office and confirmed that all appropriate individuals present had received the addendum materials.

The Personnel Commission acted to approve the following classification recommendations per Education Code 45256 and according to Personnel Commission Rules, and with the proviso that if any of these actions were affected by the hiring freeze they may not be implemented until the freeze is lifted:
